

MAPLE SELECT™

CHAMPIONSHIP-TESTED

Hardwood look and feel

Maple Select delivers the same look, squeak of the shoe and consistent ball bounce as a hardwood court.

SportGuard™

High Gloss finish with patented proprietary advanced surface technology provides an incredibly durable, factory-applied top coat that lasts for the life of your product and brings a new shine to your facility.

Moisture resistance

Excellent moisture resistance prevents water damage and surface issues caused by humidity, water problems or vapor emissions from concrete, while protecting the surface from fungi, bacteria and other organisms.

Ball response

Maple Select delivers the same dribbling response as a hardwood court unmatched by the industry.

Shock absorption

Maple Select surfaces are designed to absorb shock and prevent fatigue, concussions and injury. Plus, our patented Lateral Forgiveness™ provides protection against stress on knees and joints.

Proud to be the official court of the most demanding athletes in the world.™

Why Maple Select™

LOW LIFE-CYCLE COSTS. Durable, easy-to-clean, and low-maintenance surfaces save you money in the long run. Everyday, you'll walk into your facility to see a court that looks brand new, no matter how long you've owned it!

MADE IN THE USA. High-impact polypropylene suspended court is engineered and manufactured at our Salt Lake City headquarters.

DURABILITY. Custom engineered design that outplays any modular surface in the industry – from the company with over a 40-year track record.

QUICK INSTALLATION. Maple Select courts can be installed by your local certified CourtBuilder™ quickly and efficiently without adhesives.

Size	9.842" x 9.842" x 0.5"	✓
Weight	.62 lbs.	✓
Head Impact ASTM 1292	11" drop height pass	✓
Traction ASTM E303	.70 coefficient of friction	✓
Ball Rebound DIN 18032	99% ball bounce	✓
Material	Modular—Polypropylene with SportGuard advanced surface technology	✓
Quality	ISO 9001 / ISO 14001	✓
Recycling	100% recyclable	✓
Country	USA made	✓
Load Capacity	220 psi	✓
Sanitary	Resistance to fungi, bacteria, and other organisms	✓
Moisture Resistance	Excellent	✓
